ROLL CALL

APPROVAL OF MINUTES – June 6, 2016

NEW BUSINESS

Agenda Item #1

1. Kevin Brown, applicant, has requested a variance to Sections 1165.02 and 1165.05 (f),(g), and (h) of the Planning and Zoning Code. Applicant is requesting approval for a parking lot that has less parking spaces than the Code requires for the use of a funeral home. Said parking lot also needs approval for lacking the following development requirements: parking space size, landscaped buffer strip, trees, and extra parking space length where abutting a sidewalk. Parking lot is located at 237 W. Main Street.
