([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.03. - Imposition of tax.

The income tax levied by the Municipality at a rate of one and one-half percent is levied on the Municipal Taxable Income of every person residing in and/or earning and/or receiving income in,

- (1) *Individuals.*

- a. For residents of the Municipality, the income tax levied herein shall be on all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the resident, including the resident's distributive share of the net profit of pass-through entities owned directly or indirectly by the resident and any net profit of the resident. This is further detailed in the definition of income (Section 172.02(c)(16)).
 - b. For nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss of only pass-through entities owned directly or indirectly by the nonresident.
 - c. For residents and nonresidents, income can be reduced to "Municipal Taxable Income" as defined in Section 172.02(c)(21). Exemptions which may apply are specified in Section 172.02(c)(12).
- (2) *Refundable credit for nonqualified deferred compensation plan.*
- a. 1. As used in this division:
 - i. *Nonqualified deferred compensation plan* means a compensation plan described in Section 3121(v)(2)(C) of the Internal Revenue Code.
 - ii. *Qualifying loss* means the amount of compensation attributable to a taxpayer's nonqualified deferred compensation plan, less the receipt of money and property attributable to distributions from the nonqualified deferred compensation plan. Full loss is sustained if no distribution of money and property is made by the nonqualified deferred compensation plan. The taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.
 - iii. (A) *Qualifying tax rate* means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to the Municipality with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.
 - (B) If different tax rates applied for different taxable years, then the "qualifying tax rate" is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the Municipality each year with respect to the nonqualified deferred compensation plan.
 - iv. *Refundable credit* means the amount of the Municipality income tax that was paid on the non-distributed portion, if any, of a nonqualified deferred compensation plan.
 - 2. If, in addition to the Municipality, a taxpayer has paid tax to other municipal corporations with respect to the nonqualified deferred compensation plan, the

amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.

3. In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to the Municipality for all taxable years with respect to the nonqualified deferred compensation plan.
4. The credit allowed under this division is allowed only to the extent the taxpayer's qualifying loss is attributable to:
 1. The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or
 2. The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation.

(3) *Domicile.*

- a.
 1. An individual is presumed to be domiciled in the Municipality for all or part of a taxable year if the individual was domiciled in the Municipality on the last day of the immediately preceding taxable year or if the Tax Commissioner reasonably concludes that the individual is domiciled in the Municipality for all or part of the taxable year.
 2. An individual may rebut the presumption of domicile described in division (3)a.1. of this section if the individual establishes by a preponderance of the evidence that the individual was not domiciled in the Municipality for all or part of the taxable year.
- b. For the purpose of determining whether an individual is domiciled in the Municipality for all or part of a taxable year, factors that may be considered include, but are not limited to, the following:
 1. The individual's domicile in other taxable years;
 2. The location at which the individual is registered to vote;
 3. The address on the individual's driver's license;
 4. The location of real estate for which the individual claimed a property tax exemption or reduction allowed on the basis of the individual's residence or domicile;
 5. The location and value of abodes owned or leased by the individual;
 6. Declarations, written or oral, made by the individual regarding the individual's residency;
 7. The primary location at which the individual is employed.
 8. The location of educational institutions attended by the individual's dependents as defined in Section 152 of the Internal Revenue Code, to the extent that tuition paid to such educational institution is based on the residency of the individual

or the individual's spouse in the municipal corporation where the educational institution is located;

9. The number of contact periods the individual has with the Municipality. For the purposes of this division, an individual has one "contact period" with the Municipality if the individual is away overnight from the individual's abode located outside of the Municipality and while away overnight from that abode spends at least some portion, however minimal, of each of two consecutive days in the Municipality.

c. All additional applicable factors are provided in the Rules and Regulations.

(4) *Businesses.*

- a. This division applies to any taxpayer engaged in a business or profession in the Municipality, unless the taxpayer is an individual who resides in the Municipality or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Ohio R.C. Chapter 5745.

1. Except as otherwise provided in division (4)a.2. of this section, net profit from a business or profession conducted both within and without the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:

- i. The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

- ii. Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under Section 172.04(c);
 - iii. Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.
2. i. If the apportionment factors described in division (4)a.1. of this section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Commissioner of the Municipality may require, that the taxpayer use, with respect to all or any

portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

- (A) Separate accounting;
- (B) The exclusion of one or more of the factors;
- (C) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;
- (D) A modification of one or more of the factors.

- ii. A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Commissioner denies the request in an assessment issued within the period prescribed by Section 172.12(a).
- iii. The Tax Commissioner may require a taxpayer to use an alternative apportionment method as described in division (4)a.2.i. of this section, but only by issuing an assessment to the taxpayer within the period prescribed by Section 172.12(a).
- iv. Nothing in division (4)a.2. of this section nullifies or otherwise affects any alternative apportionment arrangement approved by the Tax Commissioner or otherwise agreed upon by both the Tax Commissioner and taxpayer before January 1, 2016.

3. As used in division (4)a.1.ii. of this section, *wages, salaries, and other compensation* includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

- i. A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:
 - (A) The employer;
 - (B) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;
 - (C) A vendor, customer, client, or patient of a person described in (4)a.3.i.(B) of this section, or a related member of such a vendor, customer, client, or patient.
- ii. Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

- iii. Any other location, if the Tax Commissioner determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (4)a.3.i. or ii. of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the Tax Commissioner makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Commissioner's determination was unreasonable.
4. For the purposes of division (4)a.1.iii. of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:
- i. Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in the Municipality if, regardless of where title passes, the property meets any of the following criteria:
 - (A) The property is shipped to or delivered within the Municipality from a stock of goods located within the Municipality.
 - (B) The property is delivered within the Municipality from a location outside the Municipality, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the Municipality and the sales result from such solicitation or promotion.
 - (C) The property is shipped from a place within the Municipality to purchasers outside the Municipality, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.
 - ii. Gross receipts from the sale of services shall be situated to the Municipality to the extent that such services are performed in the Municipality.
 - iii. To the extent included in income, gross receipts from the sale of real property located in the Municipality shall be situated to the Municipality.
 - iv. To the extent included in income, gross receipts from rents and royalties from real property located in the Municipality shall be situated to the Municipality.
 - v. Gross receipts from rents and royalties from tangible personal property shall be situated to the Municipality based upon the extent to which the tangible personal property is used in the Municipality.
5. The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual, or by a disregarded entity owned by the individual, shall be subject to the Municipality's tax only if the property generating the net profit is located in the Municipality or if the individual taxpayer that receives the net profit is a resident of the Municipality. The Municipality shall allow such taxpayers to elect to use separate accounting for

the purpose of calculating net profit sitused under this division to the municipal corporation in which the property is located.

6.
 - i. Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be sitused to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to the Municipality, if applicable, based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the Municipality to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.
 - ii. An individual who is a resident of the Municipality shall report the individual's net profit from all real estate activity on the individual's annual tax return for the Municipality. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such a credit is allowed under the Municipality's income tax ordinance.
7. When calculating the ratios described in division (4)a.1. of this section for the purposes of that division or division (4)a.2. of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.
8. Intentionally left blank.
9. Intentionally left blank.

Sec. 172.04. - Collection at source.

(a) *Withholding provisions.*

- (1) Each employer, agent of an employer, or other payer located or doing business in the Municipality shall withhold an income tax from the qualifying wages earned and/or received by each employee in the Municipality. Except for qualifying wages for which withholding is not required under Section 172.03 or division (a)(2)d. or f. of this section, the tax shall be withheld at the rate, specified in Section 172.03 of this chapter, of one and one-half percent. An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.
- (2)
 - a. Except as provided in division (a)(2)b. of this section, an employer, agent of an employer, or other payer shall remit to the Tax Commissioner of the Municipality the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer according to the following schedule:

1. Taxes required to be deducted and withheld shall be remitted monthly to the Tax Commissioner if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer on behalf of the Municipality in the preceding calendar year exceeded \$2,399.00, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the Municipality in any month of the preceding calendar quarter exceeded \$200.00.

Payment under division (a)(2)a.1. of this section shall be made to the Tax Commissioner not later than 15 days after the last day of each month for which the tax was withheld.

2. Any employer, agent of an employer, or other payer not required to make payments under division (a)(2)a.1. of this section of taxes required to be deducted and withheld shall make quarterly payments to the Tax Commissioner not later than the last day of the month following the last day of each calendar quarter.
3. Intentionally left blank.
- b. If the employer, agent of an employer, or other payer is required to make payments electronically for the purpose of paying federal taxes withheld on payments to employees under Section 6302 of the Internal Revenue Code, 26 C.F.R. 31.6302-1, or any other federal statute or regulation, the payment shall be made by electronic funds transfer to the Tax Commissioner of all taxes deducted and withheld on behalf of the Municipality. The payment of tax by electronic funds transfer under this division does not affect an employer's, agent's, or other payer's obligation to file any return as required under this section.
- c. An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the Tax Commissioner. A return filed by an employer, agent, or other payer under this division shall be accepted by the Tax Commissioner and the Municipality as the return required of a non-resident employee whose sole income subject to the tax under this chapter is the qualifying wages reported by the employee's employer, agent of an employer, or other payer.
- d. An employer, agent of an employer, or other payer is not required to withhold the Municipality income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.
- e.
 1. An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.
 2. The failure of an employer, agent of an employer, or other payer to remit to the Municipality the tax withheld relieves the employee from liability for that tax.

unless the employee colluded with the employer, agent, or other payer in connection with the failure to remit the tax withheld.

- f. Compensation deferred before June 26, 2003, is not subject to the Municipality income tax or income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.
- g. Each employer, agent of an employer, or other payer required to withhold taxes is liable for the payment of that amount required to be withheld, whether or not such taxes have been withheld, and such amount shall be deemed to be held in trust for the Municipality until such time as the withheld amount is remitted to the Tax Commissioner.
- h. On or before the last day of February of each year, an employer shall file a withholding reconciliation return with the Tax Commissioner listing:
 - 1. The names, addresses, and social security numbers of all employees from whose qualifying wages tax was withheld or should have been withheld for the Municipality during the preceding calendar year;
 - 2. The amount of tax withheld, if any, from each such employee, the total amount of qualifying wages paid to such employee during the preceding calendar year;
 - 3. The name of every other municipal corporation for which tax was withheld or should have been withheld from such employee during the preceding calendar year;
 - 4. Any other information required for federal income tax reporting purposes on Internal Revenue Service form W-2 or its equivalent form with respect to such employee;
 - 5. Other information as may be required by the Tax Commissioner.
- i. The officer or the employee of the employer, agent of an employer, or other payer with control or direct supervision of or charged with the responsibility for withholding the tax or filing the reports and making payments as required by this section, shall be personally liable for a failure to file a report or pay the tax due as required by this section. The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.
- j. An employer is required to deduct and withhold the Municipality income tax on tips and gratuities received by the employer's employees and constituting qualifying wages, but only to the extent that the tips and gratuities are under the employer's control. For the purposes of this division, a tip or gratuity is under the employer's control if the tip or gratuity is paid by the customer to the employer for subsequent remittance to the employee, or if the customer pays the tip or gratuity by credit card, debit card, or other electronic means.
- k. The Tax Commissioner shall consider any tax withheld by an employer at the request of an employee, when such tax is not otherwise required to be withheld by this chapter, to be tax required to be withheld and remitted for the purposes of this section

(b) *Occasional Entrant—Withholding.*

(1) As used in this division:

- a. *Employer* includes a person that is a related member to or of an employer.
- b. *Fixed location* means a permanent place of doing business in this state, such as an office, warehouse, storefront, or similar location owned or controlled by an employer.
- c. *Principal place of work* means the fixed location to which an employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location, "principal place of work" means the worksite location in this state to which the employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee's employer.

If there is not a single municipal corporation in which the employee spent the "greatest number of days in a calendar year" performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee's qualifying wages subject to division (b)(2)a.1. of this section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be determined in accordance with division (b)(2)b. of this section, except that "location" shall be substituted for "municipal corporation" wherever "municipal corporation" appears in that division.

- d. *Professional athlete* means an athlete who performs services in a professional athletic event for wages or other remuneration.
- e. *Professional entertainer* means a person who performs services in the professional performing arts for wages or other remuneration on a per-event basis.
- f. *Public figure* means a person of prominence who performs services at discrete events, such as speeches, public appearances, or similar events, for wages or other remuneration on a per-event basis.

- g. *Worksite location* means a construction site or other temporary worksite in this state at which the employer provides services for more than 20 days during the calendar year. "Worksite location" does not include the home of an employee.
- (2) a. Subject to divisions (b)(3), (5), (6), and (7) of this section, an employer is not required to withhold the Municipality income tax on qualifying wages paid to an employee for the performance of personal services in the Municipality if the employee performed such services in the Municipality on 20 or fewer days in a calendar year, unless one of the following conditions applies:
- 1. The employee's principal place of work is located in the Municipality.
 - 2. The employee performed services at one or more presumed worksite locations in the Municipality. For the purposes of this division, *presumed worksite location* means a construction site or other temporary worksite in the Municipality at which the employer provides or provided services that can reasonably be, or would have been, expected by the employer to last more than 20 days in a calendar year. Services can "reasonably be expected by the employer to last more than 20 days" if either of the following applies at the time the services commence:
 - i. The nature of the services are such that it will require more than 20 days of the services to complete the services;
 - ii. The agreement between the employer and its customer to perform services at a location requires the employer to perform the services at the location for more than 20 days.
 - 3. The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee's qualifying wages as provided in Section 172.04.
 - 4. The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure.
- b. For the purposes of division (b)(2)a. of this section, an employee shall be considered to have spent a day performing services in the Municipality only if the employee spent more time performing services for or on behalf of the employer in the Municipality than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:
- 1. Traveling to the location at which the employee will first perform services for the employer for the day;
 - 2. Traveling from a location at which the employee was performing services for the employer to any other location;
 - 3. Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold,

assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;

4. Transporting or delivering property described in division (b)(2)b.3. of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;
 5. Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.
- (3) If the principal place of work of an employee is located in another Ohio municipal corporation that imposes an income tax, the exception from withholding requirements described in division (b)(2)a. of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to that municipal corporation.
- (4) a. Except as provided in division (b)(4)b. of this section, if, during a calendar year, the number of days an employee spends performing personal services in the Municipality exceeds the 20-day threshold, the employer shall withhold and remit tax to the Municipality for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in the Municipality.
- b. An employer required to begin withholding tax for the Municipality under division (b)(4)a. of this section may elect to withhold tax for the Municipality for the first 20 days on which the employer paid qualifying wages to the employee for personal services performed in the Municipality.
- (5) If an employer's fixed location is the Municipality and the employer qualifies as a small employer as defined in Section 172.02, the employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the Municipality, regardless of the number of days which the employee worked outside the corporate boundaries of the Municipality.
- To determine whether an employer qualifies as a small employer for a taxable year, the employer will be required to provide the Tax Commissioner with the employer's federal income tax return for the preceding taxable year.
- (6) Divisions (b)(2)a. and (4) of this section shall not apply to the extent that the Tax Commissioner and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of Section 172.04.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.05. - Annual return; filing.

- (a) An annual the Municipality income tax return shall be completed and filed by every individual taxpayer and any taxpayer that is not an individual for each taxable year for which the taxpayer is subject to the tax, whether or not a tax is due thereon. The Tax Commissioner

may accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer under Section 172.04 of this chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due the Municipality.

- (b) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.
- (c) If an individual is unable to complete and file a return or notice required by the Municipality, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.
- (d) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust.
- (e) The Municipality shall permit spouses to file a joint return.
- (f)
 - (1) Each return required to be filed under this division shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer. The return shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.
 - (2) The Tax Commissioner shall require a taxpayer who is an individual to include, with each annual return, and amended return, copies of the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040 or, in the case of a return or request required by a qualified municipal corporation, Ohio form IT-1040; and, with respect to an amended tax return, any other documentation necessary to support the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Commissioner unless the Tax Commissioner requests such copies after the return has been filed.
 - (3) The Tax Commissioner may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio Business Gateway or in some other manner shall either mail the documents required under this division to the Tax Commissioner at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio Business Gateway.

- (4) After a taxpayer files a tax return, the Tax Commissioner may request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (f) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Commissioner.
- (g) (1) a. Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Commissioner on or before the date prescribed for the filing of state individual income tax returns under Ohio R.C. 5747.08(G). The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Commissioner or on generic forms, together with remittance made payable to the Municipality. No remittance is required if the net amount due is \$10.00 or less.
- b. Except as otherwise provided in this chapter, each annual net profit return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the Tax Commissioner on or before the 15th day of the fourth month following the end of the taxpayer's taxable year. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Commissioner or on generic forms, together with remittance made payable to the Municipality. No remittance is required if the net amount due is \$10.00 or less.
- (2) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of the Municipality's income tax return. The extended due date of the Municipality's income tax return shall be the 15th day of the tenth month after the last day of the taxable year to which the return relates. An extension of time to file under this division is not an extension of the time to pay any tax due unless the Tax Commissioner grants an extension of that date.
- a. A copy of the federal extension request shall be included with the filing of the Municipality's income tax return.
- b. A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may submit a written request that the Tax Commissioner grant the taxpayer a six-month extension of the date for filing the taxpayer's the Municipality income tax return. If the request is received by the Tax Commissioner on or before the date income tax return is due, the Tax Commissioner shall grant the taxpayer's requested extension.
- (3) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under Ohio R.C. 5747.08(G), a taxpayer shall automatically receive an extension for the filing of the Municipality's income tax return. The extended due date of the Municipality's income tax return shall be the same as the extended due date of the state income tax return.
- (4) If the Tax Commissioner considers it necessary in order to ensure the payment of the tax imposed by the Municipality, the Tax Commissioner may require taxpayers to file returns and make payments otherwise than as provided in this division, including taxpayers not otherwise required to file annual returns.

- (5) To the extent that any provision in this division (g) of this section conflicts with any provision in divisions (n), (o), (p), or (q) of this section, the provisions in divisions (n), (o), (p), or (q) prevail.
- (h) (1) For taxable years beginning after 2015, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the net amount due is \$10.00 or less.
- (2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (h)(1) of this section shall file with the Municipality an annual net profit return under division (f)(3) of this section, unless the provisions of division (h)(3) apply.
- (3) a. A person may notify the Tax Commissioner that the person does not expect to be a taxpayer subject to Municipality income tax ordinance for a taxable year if both the following apply:
1. The person was required to file a tax return with the Municipality for the immediately preceding taxable year because the person performed services at a worksite location (as defined in Section 4(c)(1)(g)) within the Municipality.
 2. The person no longer provides services in the Municipality and does not expect to be subject to the Municipality income tax for the taxable year.
- b. The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the Municipality. The affidavit shall also include the following statement: "The affiant has no plans to perform any services within the Municipality, make any sales in the Municipality, or otherwise become subject to the tax levied by the Municipality during the taxable year. If the affiant does become subject to the tax levied by the Municipality for the taxable year, the affiant agrees to be considered a taxpayer and to properly comply as a taxpayer with the Municipality income tax ordinance and rules and regulations." The person shall sign the affidavit under penalty of perjury.
- c. If a person submits an affidavit described in division (h)(3)(b) the Tax Commissioner shall not require the person to file and tax return for the taxable year unless the Tax Commissioner possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change.
- d. Nothing in division (h)(3) of this section prohibits the Tax Commissioner from performing an audit of the person.
- (i) If a payment under this chapter is made by electronic funds transfer, the payment shall be considered to be made on the date of the timestamp assigned by the first electronic system receiving that payment.
- (j) Taxes withheld for the Municipality by an employer, the agent of an employer, or other payer as described in Section 172.04 shall be allowed to the taxpayer as credits against payment of the tax imposed on the taxpayer by the Municipality, unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.
- (k) Each return required by the Municipality to be filed in accordance with this division shall include a box that the taxpayer may check to authorize another person, including a tax return

preparer who prepared the return, to communicate with the Tax Commissioner about matters pertaining to the return.

- (l) The Tax Commissioner shall accept for filing a generic form of any income tax return, report, or document required by the Municipality, provided that the generic form, once completed and filed, contains all of the information required by ordinance, resolution, or rules and regulations adopted by the Municipality or the Tax Commissioner, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this chapter and of the Municipality's ordinance, resolution, or rules and regulations governing the filing of returns, reports, or documents.
- (m) Filing via Ohio Business Gateway.
 - (1) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file the Municipality's income tax return, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of amounts shown to be due on such returns, by using the Ohio Business Gateway.
 - (2) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by using the Ohio Business Gateway.
 - (3) Nothing in this section affects the due dates for filing employer withholding tax returns.
- (n) Extension for service in or for the armed forces. Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the president of the United States or an act of the congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the Tax Commissioner of the Municipality for both an extension of time for filing of the return and an extension of time for payment of taxes required by the Municipality during the period of the member's or civilian's duty service, and for 180 days thereafter. The application shall be filed on or before the 180th day after the member's or civilian's duty terminates. An applicant shall provide such evidence as the Tax Commissioner considers necessary to demonstrate eligibility for the extension.
 - (o)
 - (1) If the Tax Commissioner ascertains that an applicant is qualified for an extension under this section, the Tax Commissioner shall enter into a contract with the applicant for the payment of the tax in installments that begin on the 181st day after the applicant's active duty or service terminates. The Tax Commissioner may prescribe such contract terms as the Tax Commissioner considers appropriate. However, taxes pursuant to a contract entered into under this division are not delinquent, and the Tax Commissioner shall not require any payments of penalties or interest in connection with those taxes for the extension period.
 - (2) If the Tax Commissioner determines that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the Municipality before the 181st day after the applicant's active duty or service terminates.

- (3) Taxes paid pursuant to a contract entered into under (o)(1) of this division are not delinquent. The Tax Commissioner shall not require any payments of penalties or interest in connection with those taxes for the extension period.
- (p) (1) Nothing in this division denies to any person described in this division the application of divisions (N) and (O) of this section.
- (2) a. A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by the Municipality in accordance with this chapter. The length of any extension granted under division (p)(2)(a) of this section shall be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this division, *qualifying taxpayer* means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the president of the United States or an act of the congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.
- b. Taxes whose payment is extended in accordance with division (p)(2)(a) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Commissioner shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Commissioner shall not include any period of extension granted under division (c)(2)(a) of this section in calculating the penalty or interest due on any unpaid tax.
- (q) For each taxable year to which division (n), (o), or (p) of this section applies to a taxpayer, the provisions of divisions (o)(2) and (3) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year.
- (r) *Consolidated municipal income tax return*. As used in this section:
- (1) *Affiliated group of corporations* means an affiliated group as defined in Section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.
- (2) *Consolidated federal income tax return* means a consolidated return filed for federal income tax purposes pursuant to Section 1501 of the Internal Revenue Code.
- (3) *Consolidated federal taxable income* means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division (r)(1) of this section.
- (4) *Incumbent local exchange carrier* has the same meaning as in Ohio R.C. 4927.01.

- (5) *Local exchange telephone service* has the same meaning as in Ohio R.C. 5727.01.
- (s) (1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the Municipality's income tax in that taxable year, and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year. The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law. The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (s)(2) of this section or a taxpayer receives permission from the Tax Commissioner. The Tax Commissioner shall approve such a request for good cause shown.
- (2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (s)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.
- (3) An election made under division (s)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.
- (t) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated the Municipality income tax return for that taxable year if the Tax Commissioner determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the Municipality. A taxpayer that is required to file a consolidated the Municipality income tax return for a taxable year shall file a consolidated the Municipality income tax return for all subsequent taxable years, unless the taxpayer requests and receives written permission from the Tax Commissioner to file a separate return or a taxpayer has experienced a change in circumstances.
- (u) A taxpayer shall prepare a consolidated the Municipality income tax return in the same manner as is required under the United States department of treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.
- (v) (1) Except as otherwise provided in divisions (v)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in Section 172.02, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.
- (2) No corporation filing a consolidated the Municipality income tax return shall make any adjustment otherwise required under Section 172.02 (c)(1) to the extent that the item of

income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

- (3) If the net profit or loss of a pass-through entity having at least 80 percent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated the Municipality income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:
 - a. Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in divisions (r) through (y) of Section 172.05, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to the Municipality. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
 - b. Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in divisions (r) through (y) of Section 172.05, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to the Municipality. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.
- (4) If the net profit or loss of a pass-through entity having less than 80 percent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:
 - a The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in divisions (R) through (Y) of Section 172.05, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to the Municipality;
 - b The pass-through entity shall be subject to the Municipality income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
- (w) Corporations filing a consolidated the Municipality income tax return shall make the computations required under divisions (r) through (y) of Section 172.05 by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

- (x) Each corporation filing a consolidated the Municipality income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by the Municipality in accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.
- (y) Corporations and their affiliates that made an election or entered into an agreement with the Municipality before January 1, 2016, to file a consolidated or combined tax return with the Municipality may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016.

Sec. 172.06. - Credit for tax paid to other municipalities.

- (a) Every individual taxpayer domiciled in the Municipality who is required to and does pay, or has acknowledged liability for, a municipal tax to another municipality on or measured by the same income, qualifying wages, commissions, net profits or other compensation taxable under this chapter may claim a nonrefundable credit upon satisfactory evidence of the tax paid to the other municipality. Subject to division (c) of this section, the credit shall not exceed the tax due the Municipality under this chapter.
- (b) The Municipality shall grant a credit against its tax on income to a resident of the Municipality who works in a joint economic development zone created under Section 715.691 or a joint economic development district created under Ohio R.C. 715.70, 715.71, or 715.72 to the same extent that it grants a credit against its tax on income to its residents who are employed in another municipal corporation.
- (c) If the amount of tax withheld or paid to the other municipality is less than the amount of tax required to be withheld or paid to the other municipality, then for purposes of division (a) of this section, "the income, qualifying wages, commissions, net profits or other compensation" subject to tax in the other municipality shall be limited to the amount computed by dividing the tax withheld or paid to the other municipality by the tax rate for that municipality.
- (d) Intentionally left blank.

Sec. 172.07. - Estimated taxes.

- (a) As used in this section:
 - (1) *Estimated taxes* means the amount that the taxpayer reasonably estimates to be the taxpayer's tax liability for the Municipality's income tax for the current taxable year.
 - (2) *Tax liability* means the total taxes due to the Municipality for the taxable year, after allowing any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

- (b) (1) Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Commissioner, if the amount payable as estimated taxes is at least \$200.00. For the purposes of this section:
 - a. Taxes withheld for the Municipality from qualifying wages shall be considered as paid to the Municipality in equal amounts on each payment date unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case they shall be considered as paid on the dates on which the amounts were actually withheld.
 - b. An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, *date of the postmark* means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
- (2) Taxpayers filing joint returns shall file joint declarations of estimated taxes. A taxpayer may amend a declaration under rules prescribed by the Tax Commissioner. A taxpayer having a taxable year of less than 12 months shall make a declaration under rules prescribed by the Tax Commissioner.
- (3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division (g) of Section 172.05 or on or before the 15th day of the fourth month after the taxpayer becomes subject to tax for the first time.
- (4) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the 15th day of the fourth month after the beginning of each fiscal year or period.
- (5) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.
- (c) (1) The required portion of the tax liability for the taxable year that shall be paid through estimated taxes made payable to the Municipality, including the application of tax refunds to estimated taxes and withholding on or before the applicable payment date, shall be as follows:
 - a. On or before the 15th day of the fourth month after the beginning of the taxable year, 22.5 percent of the tax liability for the taxable year;
 - b. On or before the 15th day of the sixth month after the beginning of the taxable year, 45 percent of the tax liability for the taxable year;
 - c. On or before the 15th day of the ninth month after the beginning of the taxable year, 67.5 percent of the tax liability for the taxable year;
 - d. On or before the 15th day of the twelfth month of the taxable year, 90 percent of the tax liability for the taxable year. For taxable years beginning on or after January 1, 2018, for an individual, on or before the 15th day of the first month of the following taxable year, 90 percent of the tax liability for the taxable year.

- (2) When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates.
- (3) On or before the 15th day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with Section 5.
- (d) (1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to Section 172.18 upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (e) of this section. The amount of the underpayment shall be determined as follows:
 - a. For the first payment of estimated taxes each year, 22.5 percent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - b. For the second payment of estimated taxes each year, 45 percent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - c. For the third payment of estimated taxes each year, 67.5 percent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - d. For the fourth payment of estimated taxes each year, 90 percent of the tax liability, less the amount of taxes paid by the date prescribed for that payment.
- (2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.
- (e) An underpayment of any portion of tax liability determined under division (d) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:
 - (1) The amount of estimated taxes that were paid equals at least 90 percent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.
 - (2) The amount of estimated taxes that were paid equals at least 100 percent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of 12 months and the taxpayer filed a return with the Municipality under Section 172.05 for that year.
 - (3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.

Sec. 172.08. - Rounding of amounts.

A person may round to the nearest whole dollar all amounts the person is required to enter on any return, report, voucher, or other document required under this chapter. Any fractional part of a dollar that equals or exceeds 50 cents shall be rounded to the next whole dollar, and any fractional part of a dollar that is less than 50 cents shall be dropped. If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.09. - Requests for refunds.

- (a) As used in this section, *withholding tax* has the same meaning as in Section 172.18.
- (b) Upon receipt of a request for a refund, the Tax Commissioner, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the Municipality:
 - (1) Overpayments of \$10.00 or more;
 - (2) Amounts paid erroneously if the refund requested is \$10.00 or more.
- (c)
 - (1) Except as otherwise provided in this chapter, requests for refund shall be filed with the Tax Commissioner, on the form prescribed by the Tax Commissioner within three years after the tax was due or paid, whichever is later. The Tax Commissioner may require the requestor to file with the request any documentation that substantiates the requestor's claim for a refund.
 - (2) On filing of the refund request, the Tax Commissioner shall determine the amount of refund due and certify such amount for payment. Except as provided in division (c)(3) of this section, the Tax Commissioner shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.
 - (3) If a Tax Commissioner denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Commissioner shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under Section 172.21.
- (d) A request for a refund that is received after the last day for filing specified in division (c) of this section shall be considered to have been filed in a timely manner if any of the following situations exist:
 - (1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.
 - (2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is

not later than the last day for filing the request, and the request is received within seven days of such last day.

- (3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.
- (e) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within 90 days after the final filing date of the annual return or 90 days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in Section 172.18 (a)(4).

Sec. 172.10. - Second municipality imposing tax after time period allowed for refund.

- (a) Income tax that has been deposited with the Municipality, but should have been deposited with another municipality, is allowable by the Municipality as a refund but is subject to the three-year limitation on refunds.
- (b) Income tax that was deposited with another municipality but should have been deposited with the Municipality is subject to recovery by the Municipality. If the Municipality's tax on that income is imposed after the time period allowed for a refund of the tax or withholding paid to the other municipality, the Municipality shall allow a nonrefundable credit against the tax or withholding the Municipality claims is due with respect to such income or wages, equal to the tax or withholding paid to the first municipality with respect to such income or wages.
- (c) If the Municipality's tax rate is less than the tax rate in the other municipality, then the nonrefundable credit shall be calculated using the Municipality's tax rate. However, if the Municipality's tax rate is greater than the tax rate in the other municipality, the tax due in excess of the nonrefundable credit is to be paid to the Municipality, along with any penalty and interest that accrued during the period of nonpayment.
- (d) Nothing in this section permits any credit carryforward.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.11. - Amended returns.

- (a) (1) If a taxpayer's tax liability shown on the annual tax return for the Municipality changes as a result of an adjustment to the taxpayer's federal or state income tax return, the taxpayer shall file an amended return with the Municipality. The amended return shall be filed on a form required by the Tax Commissioner.

- (2) If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the Tax Commissioner before filing the amended return.
- (b) (1) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due, together with any penalty and interest thereon. If the combined tax shown to be due is \$10.00 or less, no payment need be made. The amended return shall reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return only:
 - a. To determine the amount of tax that would be due if all facts, figures, computations, and attachments were reopened; or,
 - b. If the applicable statute of limitations for civil actions or prosecutions under Section 172.12 has not expired for a previously filed return.
- (2) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened; i.e., the payment shall be the lesser of the two amounts.
- (c) (1) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by division (d) of this section for filing the amended return, even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is in accordance with the dollars, no refund need be paid by the Municipality. A request filed under this division shall claim refund of overpayments resulting from alterations only to those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return, unless it is also filed within the time prescribed in Section 172.09.
- (2) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened. All facts, figures, computations, and attachments may be reopened to determine the refund amount due by inclusion of all facts, figures, computations, and attachments.
- (d) Within 60 days after the final determination of any federal or state tax liability affecting the taxpayer's the Municipality's tax liability, that taxpayer shall make and file an amended the Municipality return showing income subject to the Municipality income tax based upon such final determination of federal or state tax liability. The taxpayer shall pay any additional the Municipality income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is less than \$10.00.

Sec. 172.12. - Limitations.

- (a) (1) a. Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the later of:

1. Three years after the tax was due or the return was filed, whichever is later; or
 2. One year after the conclusion of the qualifying deferral period, if any.
- b. The time limit described in subsection (a)(1)a. of this section may be extended at any time if both the Tax Commissioner and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in subsection (c) of this section.
- (2) As used in this section, *qualifying deferral period* means a period of time beginning and ending as follows:
- a. Beginning on the date a person who is aggrieved by an assessment files with the Board of Review the request described in Section 172.21. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Board of Review did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.
 - b. Ending the later of the sixtieth day after the date on which the final determination of the Board of Review becomes final or, if any party appeals from the determination of the Board of Review, the sixtieth day after the date on which the final determination of the Board of Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.
- (b) Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of 25 percent or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.
- (c) A claim for a refund of municipal income taxes shall be brought within the time limitation provided in Section 172.09.
- (d) (1) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by the Municipality does not prejudice any claim for refund upon final determination of the appeal.
- (2) If upon final determination of the appeal an error in the assessment is corrected by the Tax Commissioner, upon an appeal so filed or pursuant to a final determination of the Board of Review, of the Ohio board of tax appeals, or any court to which the decision of the Ohio board of tax appeals has been appealed, so that the resultant amount due is less than the amount paid, a refund will be paid in the amount of the overpayment as provided by Section 172.09 with interest on that amount as provided by subsection (e) of Section 172.09.
- (e) No civil action to recover the Municipality income tax or related penalties or interest shall be brought during either of the following time periods:
- (1) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties;

- (2) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.13. - Audits.

- (a) At or before the commencement of an audit, the Tax Commissioner shall provide to the taxpayer a written description of the roles of the Tax Commissioner and of the taxpayer during the audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of a tax. At or before the commencement of an audit, the Tax Commissioner shall inform the taxpayer when the audit is considered to have commenced.
- (b) Except in cases involving suspected criminal activity, the Tax Commissioner shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.
- (c) At all stages of an audit by the Tax Commissioner, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Commissioner shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Commissioner. If a taxpayer has not submitted such a form, the Tax Commissioner may accept other evidence, as the Tax Commissioner considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner.

This division does not authorize the practice of law by a person who is not an attorney.

- (d) A taxpayer may record, electronically or otherwise, the audit examination.
- (e) The failure of the Tax Commissioner to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.
- (f) If the Tax Commissioner fails to substantially comply with the provisions of this section, the Tax Commissioner, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.14. - Service of assessment.

- (a) As used in this section:

- (1) *Last known address* means the address the Tax Commissioner has at the time a document is originally sent by certified mail, or any address the Tax Commissioner can

ascertain using reasonable means such as the use of a change of address service offered by the postal service or an authorized delivery service under Ohio R.C. 5703.056.

- (2) *Undeliverable address* means an address to which the postal service or an authorized delivery service under Ohio R.C. 5703.056 is not able to deliver an assessment of the Tax Commissioner, except when the reason for non-delivery is because the addressee fails to acknowledge or accept the assessment.
- (b) Subject to subsection (c) of this section, a copy of each assessment shall be served upon the person affected thereby either by personal service, by certified mail, or by a delivery service authorized under Ohio R.C. 5703.056. With the permission of the person affected by an assessment, the Tax Commissioner may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail.
 - (c) a. If certified mail is returned because of an undeliverable address, a Tax Commissioner shall utilize reasonable means to ascertain a new last known address, including the use of a change of address service offered by the postal service or an authorized delivery service under Ohio R.C. 5703.056. If the Tax Commissioner is unable to ascertain a new last known address, the assessment shall be sent by ordinary mail and considered served. If the ordinary mail is subsequently returned because of an undeliverable address, the assessment remains appealable within 60 days after the assessment's postmark.
 - b. Once the Tax Commissioner or other Municipality official, or the designee of either, serves an assessment on the person to whom the assessment is directed, the person may protest the ruling of that assessment by filing an appeal with the local Board of Review within 60 days after the receipt of service. The delivery of an assessment of the Tax Commissioner under division (c)(1)a. of this section is prima facie evidence that delivery is complete and that the assessment is served.
- (2) If mailing of an assessment by a Tax Commissioner by certified mail is returned for some cause other than an undeliverable address, the Tax Commissioner shall resend the assessment by ordinary mail. The assessment shall show the date the Tax Commissioner sends the assessment and include the following statement:

"This assessment is deemed to be served on the addressee under applicable law ten days from the date this assessment was mailed by the Tax Commissioner as shown on the assessment, and all periods within which an appeal may be filed apply from and after that date."

Unless the mailing is returned because of an undeliverable address, the mailing of that information is prima facie evidence that delivery of the assessment was completed ten days after the Tax Commissioner sent the assessment by ordinary mail and that the assessment was served.

If the ordinary mail is subsequently returned because of an undeliverable address, the Tax Commissioner shall proceed under subsection (c)(1)a. of this section. A person may challenge the presumption of delivery and service under this division in accordance with subsection (d) of this section.

- (d) (1) A person disputing the presumption of delivery and service under division (c) of this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent by certified mail was not an address with which the person was associated at the time the Tax Commissioner originally mailed the assessment. For the purposes of this section, a person is associated with an address at the time the Tax Commissioner originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least 20 percent, as determined by voting rights, of the addressee's business.
- (2) If a person elects to appeal an assessment on the basis described in division (d)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within 60 days after the initial contact by the Tax Commissioner or other Municipality official, or the designee of either, with the person. Nothing in this division prevents the Tax Commissioner or other official from entering into a compromise with the person if the person does not actually file such an appeal with the local Board of Review.
- (e) Nothing in this section prohibits the Tax Commissioner or the Tax Commissioner's designee from delivering an assessment by personal service.
- (f) Collection actions taken upon any assessment being appealed under division (c)(1)b. of this section, including those on which a claim has been delivered for collection, shall be stayed upon the pendency of an appeal under this section.
- (g) Additional regulations as detailed in the Rules and Regulations shall apply.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.15. - Administration of claims.

- (a) As used in this section, *claim* means a claim for an amount payable to the Municipality that arises pursuant to the Municipality's income tax imposed in accordance with this chapter.
- (b) Nothing in this chapter prohibits a Tax Commissioner from doing either of the following if such action is in the best interests of the Municipality:
 - (1) Compromise a claim;
 - (2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments.
- (c) The Tax Commissioner's rejection of a compromise or payment-over-time agreement proposed by a person with respect to a claim shall not be appealable.
- (d) A compromise or payment-over-time agreement with respect to a claim shall be binding upon and shall be to the benefit of only the parties to the compromise or agreement, and shall not eliminate or otherwise affect the liability of any other person.

- (e) A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.

Sec. 172.16. - Tax information confidential.

- (a) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by this chapter is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality as authorized by this chapter. The Tax Commissioner or a designee thereof may furnish copies of returns filed or otherwise received under this chapter and other related tax information to the internal revenue service, the state tax commissioner, and tax administrators of other municipal corporations.
- (b) This section does not prohibit the Municipality from publishing or disclosing statistics in a form that does not disclose information with respect to particular taxpayers.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.17. - Fraud.

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by the Municipality Chapter or state law to be filed with the Tax Commissioner, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud the Municipality or the Tax Commissioner.

Sec. 172.18. - Interest and penalties.

- (a) As used in this section:
 - (1) *Applicable law* means this chapter, the resolutions, ordinances, codes, directives, instructions, and rules adopted by the Municipality provided they impose or directly or indirectly address the levy, payment, remittance, or filing requirements of the Municipality.

- (2) *Federal short-term rate* means the rate of the average market yield on outstanding marketable obligations of the United States with remaining periods to maturity of three years or less, as determined under Section 1274 of the Internal Revenue Code, for July of the current year.
 - (3) *Income tax, estimated income tax, and withholding tax* means any income tax, estimated income tax, and withholding tax imposed by the Municipality pursuant to applicable law, including at any time before January 1, 2016.
 - (4) *Interest rate as described in division (a) of this section* means the federal short-term rate, rounded to the nearest whole number percent, plus five percent. The rate shall apply for the calendar year next following the July of the year in which the federal short-term rate is determined in accordance with division (A)(2) of this section.
 - (5) *Return* includes any tax return, report, reconciliation, schedule, and other document required to be filed with the Tax Commissioner or the Municipality by a taxpayer, employer, any agent of the employer, or any other payer pursuant to applicable law, including at any time before January 1, 2016.
 - (6) *Unpaid estimated income tax* means estimated income tax due but not paid by the date the tax is required to be paid under applicable law.
 - (7) *Unpaid income tax* means income tax due but not paid by the date the income tax is required to be paid under applicable law.
 - (8) *Unpaid withholding tax* means withholding tax due but not paid by the date the withholding tax is required to be paid under applicable law.
 - (9) *Withholding tax* includes amounts an employer, any agent of an employer, or any other payer did not withhold in whole or in part from an employee's qualifying wages, but that, under applicable law, the employer, agent, or other payer is required to withhold from an employee's qualifying wages.
- (b) (1) This section applies to the following:
- a. Any return required to be filed under applicable law for taxable years beginning on or after January 1, 2016;
 - b. Income tax, estimated income tax, and withholding tax required to be paid or remitted to the Municipality on or after January 1, 2016.
- (2) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules and regulations, as adopted before January 1, 2016, of the Municipality to which the return is to be filed or the payment is to be made.
- (c) Should any taxpayer, employer, agent of the employer, or other payer for any reason fails, in whole or in part, to make timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the Municipality any return required to be filed, the following penalties and interest shall apply:

- (1) Interest shall be imposed at the rate described in division (a) of this section, per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax.
- (2)
 - a. With respect to unpaid income tax and unpaid estimated income tax, the Municipality may impose a penalty equal to 15 percent of the amount not timely paid.
 - b. With respect to any unpaid withholding tax, the Municipality may impose a penalty not exceeding 50 percent of the amount not timely paid.
- (3) With respect to returns other than estimated income tax returns, the Municipality may impose a penalty of \$25.00 for each failure to timely file each return, regardless of the liability shown thereon for each month, or any fraction thereof, during which the return remains unfiled regardless of the liability shown thereon. The penalty shall not exceed \$150.00 for each failure.
- (d) Nothing in this section requires the Municipality to refund or credit any penalty, amount of interest, charges, or additional fees that the Municipality has properly imposed or collected before January 1, 2016.
- (e) Nothing in this section limits the authority of the Municipality to abate or partially abate penalties or interest imposed under this section when the Tax Commissioner determines, in the Tax Commissioner's sole discretion, that such abatement is appropriate.
- (f) By the 31st day of October of each year the Municipality shall publish the rate described in division (a) of this section applicable to the next succeeding calendar year.
- (g) The Municipality may impose on the taxpayer, employer, any agent of the employer, or any other payer the Municipality's post-judgment collection costs and fees, including attorney's fees.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.19. - Authority of tax commissioner; verification of information.

- (a) *Authority.* Nothing in this chapter shall limit the authority of the Tax Commissioner to perform any of the following duties or functions, unless the performance of such duties or functions is expressly limited by a provision of the ORC:
 - (1)
 - a. Exercise all powers whatsoever of an query nature as provided by law, including, the right to inspect books, accounts, records, memorandums, and federal and state income tax returns, to examine persons under oath, to issue orders or subpoenas for the production of books, accounts, papers, records, documents, and testimony, to take depositions, to apply to a court for attachment proceedings as for contempt, to approve vouchers for the fees of officers and witnesses, and to administer oaths.
 - b. The powers referred to in this division of this section shall be exercised by the Tax Commissioner only in connection with the performance of the duties respectively assigned to the Tax Commissioner under the Municipality's income tax chapter;
 - (2) Appoint agents and prescribe their powers and duties;

- (3) Confer and meet with officers of other municipal corporations and states and officers of the United States on any matters pertaining to their respective official duties as provided by law;
 - (4) Exercise the authority provided by law, including orders from bankruptcy courts, relative to remitting or refunding taxes, including penalties and interest thereon, for any reason overpaid. In addition, the Tax Commissioner may investigate any claim of overpayment and, if the Tax Commissioner finds that there has been an overpayment, make a written statement of the Tax Commissioner's findings, and approve and issue a refund payable to the taxpayer, the taxpayer's assigns, or legal representative as provided in this chapter;
 - (5) Exercise the authority provided by law relative to consenting to the compromise and settlement of tax claims;
 - (6) Exercise the authority provided by law relative to the use of alternative apportionment methods by taxpayers in accordance with Section 172.03;
 - (7)
 - a. Make all tax findings, determinations, computations, and orders the Tax Commissioner is by law authorized and required to make and, pursuant to time limitations provided by law, on the Tax Commissioner's own motion, review, re-determine, or correct any tax findings, determinations, computations, or orders the Tax Commissioner has made.
 - b. If an appeal has been filed with the Board of Review or other appropriate tribunal, the Tax Commissioner shall not review, re-determine, or correct any tax finding, determination, computation, or order which the Tax Commissioner has made, unless such appeal or application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;
 - (8) Destroy any or all returns or other tax documents in the manner authorized by law;
 - (9) Enter into an agreement with a taxpayer to simplify the withholding obligations described in Section 172.04.
- (b) *Verification of accuracy of returns and determination of liability.*
- (1) The Tax Commissioner, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Commissioner believes is subject to, the provisions of this chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this chapter. Upon written request by the Tax Commissioner or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Commissioner, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.
 - (2) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a Tax Commissioner believes is subject to, the provisions of this chapter shall be open to the Tax Commissioner's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the

records or documents relate, unless the Tax Commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The Tax Commissioner may require any person, by notice served on that person, to keep such records as the Tax Commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the Municipality or for the withholding of such tax.

- (3) The Tax Commissioner may examine under oath any person that the Tax Commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.
- (4) No person issued written notice by the Tax Commissioner compelling attendance at a hearing or examination or the production of books, papers, records, or federal or state income tax returns under this section shall fail to comply.

(c) *Identification information.*

- (1) Nothing in this chapter prohibits the Tax Commissioner from requiring any person filing a tax document with the Tax Commissioner to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Commissioner. A person required by the Tax Commissioner to provide identifying information that has experienced any change with respect to that information shall notify the Tax Commissioner of the change before, or upon, filing the next tax document requiring the identifying information.
- (2)
 - a. If the Tax Commissioner makes a request for identifying information and the Tax Commissioner does not receive valid identifying information within 30 days of making the request, nothing in this chapter prohibits the Tax Commissioner from imposing a penalty upon the person to whom the request was directed pursuant to Section 172.18, in addition to any applicable penalty described in Section 172.99.
 - b. If a person required by the Tax Commissioner to provide identifying information does not notify the Tax Commissioner of a change with respect to that information as required under division (c) of Section 172.19 within 30 days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the Tax Commissioner from imposing a penalty pursuant to Section 172.18.
 - c. The penalties provided for under divisions (c)(2)(a) and (b) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in Section 172.99 for a violation of Section 172.17 and any other penalties that may be imposed by the Tax Commissioner by law.

Sec. 172.20. - Request for opinion of the tax commissioner.

- (d) A Tax Commissioner may refuse to offer an opinion on any request received under this section. Such refusal is not subject to appeal.
- (e) An opinion of the Tax Commissioner binds the Tax Commissioner only with respect to the taxpayer for whom the opinion was prepared and does not bind the Tax Commissioner of any other municipal corporation.
- (f) An opinion of the Tax Commissioner issued under this section is not subject to appeal.

([Ord. No. O-18-07](#), § 1, 1-18-18)

Sec. 172.21. - Board of review.

- (a) (1) The Board of Review shall consist of three members. Two members shall be appointed by the legislative authority of the Municipality, but such appointees may not be employees, elected officials, or contractors with the Municipality at any time during their term or in the five years (which applies only to these two appointments) immediately preceding the date of appointment. One member shall be appointed by the Mayor of the Municipality. This member may be an employee of the Municipality, but may not be the director of finance or equivalent officer, or the Tax Commissioner or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.
- (2) The term for members of the Board of Review the Municipality shall be two years. There is no limit on the number of terms that a member may serve if the member is reappointed by the legislative authority. The board member appointed by the Mayor of the Municipality shall serve at the discretion of the administrative official.
- (3) Members of the Board of Review appointed by the legislative authority may be removed by the legislative authority by majority vote for malfeasance, misfeasance, or nonfeasance in office. To remove such a member, the legislative authority must give the member a copy of the charges against the member and afford the member an opportunity to be publicly heard in person or by counsel in the member's own defense upon not less than ten days' notice. The decision by the legislative authority on the charges is final and not appealable.
- (4) A member of the Board of Review who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.

- (5) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within 60 days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the Board of Review shall impair the power and authority of the remaining members to exercise all the powers of the Board of Review.
- (6) If a member is temporarily unable to serve on the Board of Review due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the Board of Review in the member's place. The appointment of such an individual shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.
